

Want some Bad Duck at your wedding?

You're getting married and it's going to be delicious with
Bad Duck Carmel at the party!

Guests are kept waiting? No worries... quacking the caramel on the tables and sharing it around will keep them happy, laughing and meeting each other. What better way to break the ice than a mouthful of the best caramel ever? (caramel + talking = drooling) Instead of clinking of glasses or telling of stories for a kiss, guests can crack the caramel. How about toasting with caramel instead of drinks?
